Letter No.: 244/23-24

Date: 20/06/23

PUBLIC NOTICE

Objections / Comments invited from various stakeholders on the Petition submitted by Tenughat Vidyut Nigam Limited (TVNL) for True-up petition for the first control period from FY 2012-13 to FY 2015-16.

Tenughat Vidyut Nigam Limited (hereinafter referred to as TVNL) is a power-generating company incorporated on 26th Nov 1987 under the Indian Company's Act, 1956. With the creation of Jharkhand State on 15th November 2000 from the erstwhile Bihar State, the TVNL became an undertaking of the Government of Jharkhand.

TVNL owns and operates an installed power generation capacity of 420 MW with two units of 210 MW each at Tenughat Thermal Power Station located at Lalpania at the banks of Tenughat reservoir in Bokaro district with its head office at Ranchi. The units were under commercial operation as detailed below:

- a) Unit I - September 1996
- b) Unit II - September 1997

In accordance with the provisions of Section 62 of the Electricity Act, 2003 and the provisions of the JSERC (Terms and Conditions for Determination of Generation Tariff) Regulations, 2010. TVNL has filed Petitions for approval of True-up petition for the first control period from FY 2012-13 to FY 2015-16.

The Commission has scrutinized and accepted the petition and has directed TVNL to publish a public notice for inviting objections/comments from various stakeholders.

The copy of the entire Petition along with queries raised by the Commission and reply on it by TVNL are available on the website of the Commission at www.jserc.org/tvnl.aspx as well as TVNL at www.tvnl.in.

Brief overview of the petitions

True-up petition for the First Control Period from FY 2012-13 to FY 2015-16

Summary of ARR for First control period from FY 2012-13 to FY 2015-16:

Table 1: Operational performance parameters and Annual fixed cost for the FY 2012-13

Particulars	UoM	FY 2012-13		
		MYT Approved	Provisional True-Up	Final True-up submission
Capacity	MW	420	420	420
