Sub: Internal audit report for the financial year ending 31st March 2016.

Respected Sir,

In term of your appointment letter, we have been appointed for finalization of accounts and giving comments and suggestions on accounts along with accounting & preparation of Statement of Accounts and Bank Reconciliation Statement of records and transactions at TTPS, Lalpania & Head Office, TVNL, Ranchi.

We made an endeavor to cover all the aspect which were necessary and germane for discharging our due responsibility viz review of accounting systems and related internal control, examination of economy, efficiency and effectiveness of operations, verification of vouchers etc.

The preparation of financial statements & review was conducted in accordance with the scope of works, guidelines given with the appointments letter and other major aspects that came across during the course of our assignment.

As indicated by the above mentioned letter of engagement of our scope of works include the following areas :

Verification of computerized accounts and inventory records, Preparation of Bank Reconciliation statements, Preparation of Profit & Loss Accounts & Balance Sheet along with all the schedules & giving comments and suggestions on accounts.

SUMMARY OF AUDIT REPORT FOR THE MANAGEMENT CONSIDERATIONS

- The Accounts has been prepared as per generally accepted accounting principle and as per mandatory accounting system issued by the institute of Chartered Accountants of India.
- Practice of periodic reconciliation of accounts and statements of financial and inventory data is not adopted. Consequently the accounts are not reflecting the true and fair view of operations and state of affairs of the organization.
- There is no upkeepment of fixed assets register which is also a statutory requirement.

- Accounting for stores and spares items are not properly done. Store department is been managed in unorganized and unscientific manner. Major discrepancies have been noticed and reported. The amount involved is also very high. The management should take quick steps to get it organized to ascertain the true and fair view of the organization's operation and affairs.
- It is been observed that the organization is not having sufficient and qualified personnel in accounts and stores department to handle the large volume of transactions professionally and smoothly.
- The company has started working in new accounting software ERP.
- It is sincerely advised to the management to take note of each issue minutely and adopt necessary action should immediately be taken to improve the current accounting and inventories discrepancies for getting true and fair information for management decision-making.
- During the course of audit, we have found that most of the accounting entries has not been done due to which the time period allowed for auditing has extended.

GRATITUDE

We would like to give our sincere thanks to all the concerned officials and staffs of "Tenughat Vidut Nigam Limited" without co-operation of which the coverage of our assignment would not be that much effective. We would like to extend our special gratitude towards Mr. Mithelesh Kumar Prasad, (Finance Controller) for their whole hearted support.
